To Become a Beat Sponsor:

First of all, what's a 'beat'??!

A beat is a term used for a stretch of fishable water. Each of our teams of anglers will be assigned to a beat along the Rose River, and each beat will offer an opportunity for advertisement, and a show of support by a sponsoring entity. In addition, our Beat Sponsors will be thanked in all of our print media for the event, as well as on our website.

You can be a Beat Sponsor and advertise your business, and we will work with you to put together an informational flier to be posted at your beat. You can be a Beat Sponsor to honor the memory of a loved one that was lost to breast cancer, or to show your support for a team of anglers. We are happy to talk with you about how you'd like to support this event, and what message you'd like to show with your Beat Sponsorship. **The contribution value of a Beat Sponsorship is \$500.00.**
